Objective

As a recent BSc graduate, I am eager to embark on my career journey in the world of technology. I am seeking an opportunity with a progressive organization that values innovation and learning, where I can grow professionally and make a meaningful impact on projects and team success.

Skills

Programming Languages: **C#**

WebTechnologies:**ASP.NetCOREMVC,ASP.NET,ADO.NET**

UITechnologies:**HTML, CSS, JAVASCRIPT**

Database: **MICROSOFT SQL Server.**

Projects

Project Name: (FOODIE)Online Food Ordering Web Application

Description: FOODIE is an intuitive online food ordering web application facilitating seamless Ordering experiences for users, while providing restaurant administrators with comprehensive control over listings, menu items, and the ordering process."

- **Full-Stack Development:** Developed a feature-rich web application, handling both front-end and backend components using the C#, ASP .NET along with ADO .NET.
- **Responsive Design:** Implemented modern design principles using HTML, CSS, Bootstrap and JavaScript to ensure a responsive and user-friendly interface.
- **Database Management:** Utilized MySQL Server Management Studio 2019 along with ADO.Net to design, manage, and optimize the application's database for efficient data retrieval and storage.
- **C# Logic Integration:** Utilized C# for Server-Side scripting, seamlessly integrating logic to enhance the overall functionality of the application
- **Successfully Delivery:** Completed the Project successfully, emphasizing client-side validations resource-efficient design in a fully functional online food ordering platform.

Education

- Bachelor of Science in Mathematics, Physics and Computer Science (MPCS) from Omega PG &Degree
- College, Hyderabad in 2023.
- Completed intermediate studies in 2020 with a focus on Mathematics, Physics, and Chemistry.
- Concluded my secondary education in the year 2018.
